

ECB Yorkshire South Premier League

Matchday requirements

- 1 Each team must provide a scorer for the game. Scoring must be completed online using Play-Cricket Pro on a laptop.
- 2 The home side must provide:
 - working internet access, to ensure that the game features on the live score service
 - a working printer, to enable DLS printouts can be given to captains and umpires
- 3 After the game, the home scorer must immediately ensure that the scorecard has been correctly uploaded onto the League Play-Cricket site.
- 4 Captains must complete the Ground, Facilities and Umpires report on *Who's the Umpire* within five days of the game.

Penalties for non-compliance with the above

In the event of failure to comply with the above matchday requirements:

- on the first failure to meet any of these requirements a warning will be issued
- any further failure will result in a final warning
- any failure thereafter will result in a two league point deduction being applied
- failures will be taken into account in 'Club of the Year' assessments
